- Section 58.1-3518 of the Code of Virginia requires that ALL tangible personal property *owned, leased, rented, or borrowed*, as of January 1 of any year, which was used or available for use in a business/profession and which was located in Frederick County must be filed on a personal property return. **Do not report just new or recently acquired personal property -- You must report ALL personal property on each year's filing including property reported on the prior year's filing if still owned. For each item, you must provide the original cost or value if free to you, before any allowance for trade-in. Include personal property even if expensed or fully depreciated on company books. You must also include the total cost/value of all items (or it constitutes a non-filing, subject to penalty).** After your return is received, the County will apply the depreciation rate.
- If the list of items you are reporting for this year does NOT include items previously reported on last year's filing (e.g., have been disposed of and not replaced), you must provide a list of the disposed of or no longer owned items.
- Examples of business tangible personal property are: desktop and laptop computers, keyboards, monitors, printers, scanners, copiers, fax machines, credit/debit card payment devices, hand-held tools, power tools, desks, chairs, telephones, filing cabinets, bookshelves, pallet jacks, forklifts, skidders, wheelbarrows, scaffolding, ladders, signage, etc.
